

### **Comic Strip Instructions:**

1. Use 4 – 6 boxes for your comic strip—Make a title if you don't use all of the boxes
2. Create at least 2 characters (any characters) – no naked stick people, put clothes on them
3. Your characters will have a conversation. They must:
  - A. greet each other (hello, good morning, good afternoon, or good evening)
  - B. ask each other's names (one says theirs first, then asks the other)
  - C. say "nice to meet you"
  - D. say goodbye
4. Other options for added conversation (if you are filling 6 blocks):
  - E. Ask how each other is feeling  
(You put this after "nice to meet you")
5. Color it and make it look nice (it may hang up on my wall!)
6. Turn it in to your period's drawer/box
