

Geografía del mundo – Investigación cultural

Instructions for completing your map!

1. Add the capital of each country to the blank; for Bolivia, add another arrow and blank for the second capital
2. Label all of the following bodies of water IN SPANISH:
 - a. Océano Pacífico
 - b. Océano Atlántico
 - c. El Golfo de México
 - d. El Mar Caribe
3. Label all of the following mountain ranges IN SPANISH:
 - e. La Sierra Madre Oriental
 - f. La Sierra Madre Occidental
 - g. Las Montañas Andes
4. Color your map – countries may use the same color, but have no two countries next to each other that are the same color. Only color countries that speak Spanish (you can include the USA if you like – you only need one color for it). Oceans do not need to be colored.
